8TH INTERNATIONAL ADVENTURE THERAPY CONFERENCE

29 August – 2 September 2018
The Tops Conference Centre
SYDNEY, AUSTRALIA

Invitation from the Conference Organising Committee

Your sponsorship of the Eighth International Adventure Therapy Conference (8IATC) will prove to be a valuable investment. Some 350 - 450 delegates are expected to converge on The Tops Conference Centre in New South Wales, from the 29th August to the 2nd September 2018.

The 8IATC Organising Committee is in the process of developing a vigorous program designed to celebrate past achievements and inspire future innovations in the international adventure therapy field.

As a result 8IATC will bring together Practitioners, Managers, Speakers, Educators and Academics amongst others from around the globe for an intensive time of celebration, education, culture, experiential activities, delicious food and networking.

Previous International Adventure Therapy Conferences have focused on establishing coherence and quality within the international field of adventure therapy. At the 8IATC we are reaching outwards with a theme of “Expanding the Circles” to build links with allied fields such as social work, youth justice, programs for and by first peoples, occupational therapy, psychotherapy and of course many more.

Delegates from within the existing adventure community and from adjacent fields will be invited to reflect on their cultural and professional origins, and re-imagine their contemporary knowledge and expertise in the light and landscape of ancient place-based practices.

A number of exciting sponsorship opportunities are available, and are outlined below.

We look forward to your participation.
